

2020 - 2021 North Dakota ACDA Junior High/Middle Level Honor Choirs

Congratulations! Last year there were 663 auditions from 67 schools. This year, there were 403 auditions from 51 schools. With 190 singing slots and 60 alternate positions, competition continued to be quite strong. We also commend submitting teachers and students for rising to the challenge of preparing auditions with the ever-changing circumstances Covid-19 brought to your schools. We created two pdf files for your convenience. One lists results by choir, and the other lists results by school.

The NDACDA board has been working hard to make adjustments in light of North Dakota's Covid-19 reality. We, as a board, have decided it is too great a risk to students, teachers, and conductors to hold an honor choir event in person. Instead, we are planning a virtual opportunity for students to interact with professional musicians through desktop concerts and workshops designed specifically for them on February 5. We will not be having a virtual choir. We are working hard to turn this into a unique, exciting opportunity for students to interact with people they normally would not be able to interact with! We will also be presenting 3-year awards during this mini-conference.

We still need registration forms by Friday, December 4. Please submit one school form per school and one student form per student. Online forms are found on the ndacda.com website. The registration fee will be reduced to \$20 this year. The fee of \$20 per student will cover the cost of paying our presenters and a t-shirt. Please submit ONE CHECK per school or pay online by credit card at <https://ndacda.regfox.com/mljh-honor-choirs-registration>.

Watch your inboxes for more information about this exciting opportunity! We look forward to seeing you Feb 5th!
